**Subject:** South Bay Congressional District

Message Body:

We were notified that the Commission feels Torrance is more aligned to the beach communities and may not keep the city whole.

West Torrance is likely what the Commission is considering as it is connected to the beach communities in that southern beach section.

While this is a consideration, North, Central and East Torrance is better aligned as in the Assembly & Senate proposal for the historic and cultural Japanese American community of interest.

I appreciate your difficult task of considering everyone's wishes.

Subject: Silver Lake Neighborhood

Message Body:

Please read past comments and get to know Los Angeles. You cannot split Silver Lake from Los Feliz!!!! They are inextricably linked in every way. Read past comments!!!!
