Dear Commissioners:

I am writing to request that the following communities be included in the same district:

Kagel Canyon - Lake View Terrace - Shadow Hills - La Tuna Canyon - Sunland-Tujunga - La Crescenta - Montrose - La Canada-Flintridge - Glendale - Burbank

Our communities share the same demographics and interests which include, but are not limited to:

**Historic Preservation - Environment - Protection of Open Space -
The Rim of the Valley - Angeles National Forest - San Gabriel Mountains - Verdugo Hills - Wildlife - Watershed - Hiking and Equestrian Trails - Income - Education - Housing - Transportation - Two Nearby Colleges -
The 210 Freeway for Our Economic and Transportation Corridor -
Medical - Shopping - Jobs - Entertainment**

The current boundary proposal has my community joined with the mid-Valley flatland area, an area my community has little in common with. It is important that the redistricting proposal be redrawn so that my community is joined with other communities that share our demographics and interests:

Kagel Canyon - Rural, Equestrian, Mountains; Lake View Terrace - Rural, Equestrian, Mountains and Hansen Dam Recreation Center; Shadow Hills - Rural, Equestrian, Mountains; La Tuna Canyon - Verdugo Hills, Rural, Equestrian; Sunland-Tujunga, La Crescenta, Montrose, La Canada-Flintridge - Rural, Equestrian, Suburban, Located Between Two Mountain Ranges (Verdugo Mountains and San Gabriel Mountains); **Glendale and Burbank - Rural, Suburban and share the Verdugo Mountains, Shopping and Business**

These communities have commonalities and interrelationships that are uniquely interwoven and linked in ways that make them indivisible and requires they be joined together in the same California State Voting District.

I respectfully request that you consider these long-established community relationships when redrawing the current districts.

Thank you for your consideration.

Sincerely,

It is extremely important that you consider including our areas in the redistricting proposal. All of my Dr's are in Glendale. I shop in Montrose + La Canada occasionally. Burbank + Glendale. I do nothing in the Mid-Valley Flatland.

Dear Commissioners,

Thank you for your hard work on this complicated task before you.

I live in Studio City in the San Fernando Valley. According to your June 10th maps, Studio City has been split in half between two senate districts - LASCV and LADNT. We would like you to make Studio City whole, in one district, LASCV, connecting it to the other San Fernando Valley cities along the Ventura Blvd. and 101 freeway corridors. Studio City has nothing in common, no community of interest with the north half of the LASCV map (Santa Clarita, Castaic, Gorman), nor with LADNT (downtown and southern communities).

Our community of interest is with the cities running along the 101 freeway corridor and along the north and south side of the Santa Monica Mountains. This has been our community of interest for the past 20 years. We commute back and forth over the mountains for schools, shopping, education, parks, religious and cultural institutions, using the 405 freeway, the Pacific Coast highway, and the mountain roads (Beverly Glen, Coldwater Canyon, Laurel Canyon, Sepulveda, and Topanga Canyon). We share our community in the southern SFV, Studio City, Sherman Oaks, Encino, Tarzana, Woodland Hills, Calabasas, Hidden Hills, and Agoura Hills, along with the south side of Mulholland - West Hollywood, Beverly Hills, Westwood, Brentwood, Pacific Palisades, and Malibu. Together we share transportation corridors and environmental, L.A. River, and Santa Monica Mountains priorities.

Please make Studio City one Senate district and nest the two proposed Assembly districts - Thousand Oaks - Santa Monica Mountains and the West Side-Santa Monica districts into the Senate District.

Thank you for your consideration.

Dear Citizens Redistricting Commission:

I am writing on behalf of the Hermosa Beach City Council located in Los Angeles County. Hermosa Beach is located on the Santa Monica Bay along with eight other cities. As coastal cities, we share a number of common goals, lifestyle, living standards, use of common transportation system and a concern for the Santa Monica Bay as an economic, cultural and environmental resource. These common concerns and goals form a strong community of interest that would benefit the residents of the cities if the Santa Monica Bay was kept together. A common legislative district would allow these cities to continue to work together to protect the Santa Monica Bay as a statewide resource.

I would appreciate the Commission's consideration in keeping the Santa Monica Bay cities together when drawing the new district boundaries.

Sincerely,

Dear Redistricting Commission Members:

Let me start off by thanking you for taking into account our comments regarding the Senate District identified as LAPRW on your map. Your visualizations prepared for the July 8 meeting demonstrate that you listened to us and our concerns regarding representation for our communities and having the entire district in Los Angeles County.

I would like to request one further amendment however. The City of Montebello seems to more properly belong in the district directly north of LAPRW. I have always thought of Montebello as part of the San Gabriel Valley rather than the Gateway Cities or Southeast cities. Montebello is a part of the San Gabriel Valley Council of Governments. If you search the term San Gabriel Valley, Montebello will show up as a part of the definition or listing of cities.

I rarely go to Montebello for entertainment, to shop, to dine or for recreational opportunities. I consider Lynwood, South Gate and Huntington Park to be much more similar to my communities and the other communities depicted in the visualization on your website. The Chinese American Citizens Alliance Proposed 27th Senatorial Districts Alternative Plan/Map also makes this distinction. I believe the proposed Alternative Plan/Map for the 27th District prepared by the Chinese American Citizens Alliance does a better job in grouping our cities based on the similarities of our communities and geography.

Again, I appreciate your responsiveness to our concerns and comments and am pleased that the California Citizens Redistricting Commission has done what the voters who passed the Voters First Act asked for. You listened to Californians. Thank you.

Sincerely,
