**To:** [REDACTED] <[REDACTED]>

To Whom This Matter May Concern:

As a resident of the Wiseburn area in the unincorporated area of Los Angeles, it is very important to me and my neighbors that we be included in the same Congressional District as the rest of the South Bay cities.

I have lived in this area my entire life: educated in Hawthorne, Redondo Beach, and Palos Verdes; work, play and shop in El Segundo, Hawthorne, the Beach Cities and Torrance; receive medical care in Hawthorne, the Beach Cities and Torrance; attend church in El Segundo; visit family in these same cities--all vital community relationships. Many of my friends, neighbors, and co-workers can say the same thing. We clearly identify with the Beach Cities/South Bay District and it would be a great thing for us to have a united voice in our representation.

Thank you so much for your consideration.

Please put blocks of area's together for each district. No funny, crazy, lines that seperate common area's.

Put Torrance back in the 36th Congressional District (and Assembly District)

The South Bay should be Westchester south only

To Whom It May Concern

As a concerned citizen and resident of the Santa Monica Coastal area for over 30 years, I am totally OPPOSED to combining inland areas such as Simi and Moorpark with our Coastal Corridor. The areas have no commonality of needs and MUST NOT BE COMBINED. Our fragile coastal ecosystem needs careful and informed care in order to preserve it for the future.

To Whom It May Concern:

I have been living in Wiseburn for almost 20 years, but work in Torrance. I shop at the mall in Manhattan Beach, Redondo Beach, El Segundo and Torrance. I go to the movies in Manhattan Beach and El Segundo. We go to the restaurants in Manhattan Beach, Redondo Beach, Torrance, El Segundo. We go to the Hermosa Beach Fair, Redondo Beach Fair. We have family members in Redondo Beach. I work in South Bay, shop in South Bay, eat in South Bay and live in Wiseburn.

Hawthorne and the surrounding unincorporated County communities of Wiseburn and Del-Aire have strong ties to the South Bay Beach Cities, and I ask you to recognize these vital community relationships by keeping us in the same Congressional District.

**Please keep Hawthorne, Wiseburn and Del Aire in the same congressional district with the South Bay Cities.**

I would much prefer to share a district with the southern portion of the San Fernando Valley than with Moorpark, Simi Valley, and Santa Clarita. I have very few interests in common with those inland areas, and a great deal in common with Malibu and Santa Monica. Please consider an east-west boundary through the "Event" district and the San Fernando Valley district, instead of the north-south boundary being considered now.

Commission: The current proposal to break up the Southbay district is wrong and you must not do it. I used to live in WLA, Santa Monica, Playa Del Rey and Westchester. I moved to the Southbay because it is different than these areas. It has a different culture and lifestyle. The beach cities in the Southbay are all together different than the beach cities north of the airport.

Southbay people want to select our own politicians that have the best interest of the people in the Southbay!

Keep Torrance in the district, it is the heart of the Southbay and do not expand our district above South Westchester.

We have seen the new boundaries of District 23 and we have concerns about them! The Las Virgenes area should continue to be connected to the westside, Malibu, parts of the San Fernando Valley as we all share the Santa Monica Mountains and access to the Pacific Ocean. Thousand Oaks and Oak Park are our neighbors, also. Communities should lie near one and share some similarities. We do not share common interests with Santa Clarita, Castaic or Simi.

We would appreciate reconsideration of our area and returning the boundaries to what they were!

PLEASE honor your commitment to stop gerrymandering and leave neighborhood areas intact. Torrance is a logical part of our south bay area, not Topanga, Santa Monica or Beverly Hills. From San Pedro north to El Segundo is a logical South Bay area. We have little in common with Santa Monica and Beverly Hills--they are Westside. OUR AREA OF TORRANCE HAS A REDONDO BEACH ZIP CODE, BUT OUR KIDS GO TO TORRANCE SCHOOLS, AND OUR UTILITIES, FIRE, POLICE AND BUILDING DEPT. ARE WITH TORRANCE. How can you possibly separate Torrance from Redondo Beach??? That is totally nonsense. We live at "Torrance Beach" with a Redondo Beach zip code. You cannot just arbitrarily divide the two.

I have lived in the south bay for over 33 years and the cities that I have always considered as being a part of the 36th district is as follows:

El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena.

If you asked the people that live in these cities you'd find an overwhelming majority of the citizens that live in these cities would say the same thing.

The Santa Monica Mountain/Coastal communities should be together in an east/west District that does not include the north inland communities of Simi Valley, Moorpark, or Santa Clarita!

Redistricting Commission,

I am a South Bay voter who has been watching your shenanigans as you pretend to be fair and unbiased while plotting to Gerrymander the 36th. District into a guaranteed democrat stronghold. Shame on your shameless fakery. I don't expect you to be honest about it as democrats are never honest. I know how you think as I used to be one when I was young, foolish and did my thinking with every brain cell in my warm and compassionate heart. Like you, I figured that I was right, the ends justified the means and it is no sin to lie when you are opposing evil Republicans. But enough of this, your minds will be unchanged. Here is my two cents worth:

Keep the 36 th. District from Westchester south, include Torrance and don't be trying to throw in all your favorite liberal areas who have nothing in common with the South Bay communities.

Thank you for your time and attention, Clark Rozas
