I live in Valley Village, CA. It is a very small (by LA standards) place and tight-knit. I understand how a very large community might have to split up to meet political quotas, but dividing up such a small place makes no sense and actually will do harm to our representation and community goals. Please redraw the line so that it follows the 170 Freeway and keeps the 25,000 stakeholders in Valley Village in one congressional district. Don't divide our community!

Thank you,

VALLEY VILLAGE NEEDS YOUR HELP!

As you might know, the California Citizen's Commission is redrawing legislative boundaries in California (www.wedrawthelines.ca.gov). The first map that was distributed was very "good" for Valley Village, and we were able to give our support to the map as presented.

Earlier this week a SECOND map was released (see the back of this flyer). If you look closely at the map, where the red arrow is, it moves a very small part of Valley Village into a separate congressional district. This is VERY disturbing. We want the map redrawn and 170 Freeway to be the south boundary, NOT Colfax Avenue.

We only have a few days to get our point across. THIS MAP BECOMES PERMANENT BY AUGUST 1. PLEASE HELP US CALL IN OUR CONCERN.

Here are three things we need you to do:

1. Go to the California Citizens Redistricting Commission website www.wedrawthelines.ca.gov and send an email that says:

SUBJECT: PLEASE CHANGE THE LATEST CONGRESSIONAL MAP BOUNDARY WHICH DIVIDES THE COMMUNITY OF VALLEY VILLAGE CALIFORNIA.

COMMENT:

I live in Valley Village, located in Los Angeles, California. I am very concerned that the new map proposed earlier this week will divide Valley Village into two parts. Please redraw the line so that it follows the 170 Freeway and keeps the 25,000 stakeholders in Valley Village in one congressional district.

2. Also FAX this message along with the map on the back of this page to The Citizens Redistricting Commission – 916-651-5711

3. Tell everyone you can to please do this too – neighbors, friends, family members. We need to get our message across.

AGAIN, THIS IS VERY IMPORTANT. THANK YOU IN ADVANCE FOR YOUR HELP.

Subject: Communities State Redistricting Proposal

Dear Commissioners:

I am writing to request that the following communities be included in the same district:

Kagel Canyon - Lake View Terrace - Shadow Hills - La Tuna Canyon - Sunland-Tujunga - La Crescenta - Montrose - La Canada-Flintridge - Glendale - Burbank

Our communities share the same demographics and interests which include, but are not limited to:

Historic Preservation - Environment - Protection of Open Space - The Rim of the Valley - Angeles National Forest - San Gabriel Mountains - Verdugo Hills - Wildlife - Watershed - Hiking and Equestrian Trails - Income - Education - Housing - Transportation - Two Nearby Colleges - The 210 Freeway for Our Economic and Transportation Corridor - Medical - Shopping - Jobs - Entertainment

The current boundary proposal has my community joined with the mid-Valley flatland area, an area my community has little in common with. It is important that the redistricting proposal be redrawn so that my community is joined with other communities that share our demographics and interests:

Kagel Canyon - Rural, Equestrian, Mountains; Lake View Terrace - Rural, Equestrian, Mountains and Hansen Dam Recreation Center; Shadow Hills - Rural, Equestrian, Mountains; La Tuna Canyon - Verdugo Hills, Rural, Equestrian; Sunland-Tujunga, La Crescenta, Montrose, La Canada-Flintridge - Rural, Equestrian, Suburban, Located Between Two Mountain Ranges (Verdugo Mountains and San Gabriel Mountains); Glendale and Burbank - Rural, Suburban and share the Verdugo Mountains, Shopping and Business

These communities have commonalities and interrelationships that are uniquely interwoven and linked in ways that make them indivisible and requires they be joined together in the same California State Voting District.

I respectfully request that you consider these long-established community relationships when redrawing the current districts.

Thank you for your consideration.

Hello, we live in Valley Village (located in Los Angeles). The new map proposed earlier this week will divide Valley Village into two parts. Please redraw the line so that it follows the 170 Freeway and keeps the 25,000 Valley Village stakeholders in one congressional district. Right now, you are actually cutting off our private park (Valley Village Park) and many other residents. The actual lines you should be following are listed here in our local community website. <http://www.myvalleyvillage.com/boundaries.php>

If you do not live or frequent here and only base the outlines on zip codes, it might look as you have it. However, that is not the way the area actually works especially considering the freeway cutoff.

Please make this change immediately.

Thank you.

My name is Joseph Hart. I am writing you on behalf of my particular community of interest, the North Long Beach community.

Your recent Assembly visualizations, entitled Assembly LA Option 1 and Assembly LA Option 2, propose maps that divide North Long Beach into three separate Assembly Districts.

I respectfully request that you consider placing all of North Long Beach, including everything north of San Antonio Dr. into the same Assembly District with Carson, Rancho Dominguez and Compton, instead of Lakewood and Paramount.

This will unify our communities of interest; African Americans, Latinos, Pacific Islanders, the California State University, Dominguez Hills and El Camino College - Compton Center communities and historic Dominguez Rancho communities.

This will also ensure that North Long Beach residents have appropriate representation and are connected to similar communities of interest.

Thank you for your consideration, and thank you for your hard work and diligence in drafting the new boundaries for our Congressional, Board of Equalization, Senate and Assembly Districts.

Dear Members of the Citizens Redistricting Commission:

My name is Reginald Hughes. I am writing you on behalf of my particular community of interest, the North Long Beach community.

Your recent Assembly visualizations, entitled Assembly LA Option 1 and Assembly LA Option 2, propose maps that divide North Long Beach into three separate Assembly Districts.

I respectfully request that you consider placing all of North Long Beach, including everything north of San Antonio Dr. into the same Assembly District with Carson, Rancho Dominguez and Compton, instead of Lakewood and Paramount.

This will unify our communities of interest; African Americans, Latinos, Pacific Islanders, the California State University, Dominguez Hills and El Camino College - Compton Center communities and historic Dominguez Rancho communities.

This will also ensure that North Long Beach residents have appropriate representation and are connected to similar communities of interest.

Thank you for your consideration, and thank you for your hard work and diligence in drafting the new boundaries for our Congressional, Board of Equalization, Senate and Assembly Districts.

Sincerely yours,

Reginald Hughes

Dear Members of the Citizens Redistricting Commission:

Thank you for your dedication and commitment to this extremely challenging effort to redistrict our state. My name is Anna Soto and I am resident of North Long Beach.

The city of Long Beach has many communities of interests which have forged long standing relationships over time. This has been as a result of residents knowing their elected representatives in the different levels of government, operating with confidence in their familiarity with that official.

These relationships along with the relationships of synergy amongst the neighborhoods would be disseminated if the city of Long Beach was re-districted to have multiple Assembly districts for one city.

I support your current visualizations that place all of North Long Beach into the same Congressional and Senate Districts as neighboring Carson, Rancho Dominguez and Compton. However, your recent visualizations propose a map that divides North Long Beach into three separate Assembly Districts.
