Dear Members of the Citizens Redistricting Commission:

My name is Donovan Taylor. I am writing you on behalf of my particular community of interest, the North Long Beach community.

Your recent Assembly visualizations, entitled Assembly LA Option 1 and Assembly LA Option 2, propose maps that divide North Long Beach into three separate Assembly Districts.

I respectfully request that you consider placing all of North Long Beach, including everything north of San Antonio Dr. into the same Assembly District with Carson, Rancho Dominguez and Compton, instead of Lakewood and Paramount.

This will unify our communities of interest; African Americans, Latinos, Pacific Islanders, the California State University, Dominguez Hills and El Camino College - Compton Center communities and historic Dominguez Rancho communities.

This will also ensure that North Long Beach residents have appropriate representation and are connected to similar communities of interest.

Thank you for your consideration, and thank you for your hard work and diligence in drafting the new boundaries for our Congressional, Board of Equalization, Senate and Assembly Districts.

Sincerely yours,

Donovan Taylor
