Subject: Senate District

Message Body:

I appreciate the Congressional District for SLO, SB and a portion of West Ventura as very good.

Also the Assembly District for SLO County and Northern Santa Barbara County including all of Lompoc is very good.

Including all of Lompoc in one Senate District is very good. However, it appears that the Assembly District as above should be included with the assembly district to the north to form the Senate District of South Mont, SLO and North SB rather than splitting the above assembly district into parts of two different Senate Districts. These two assembly districts are similar in diversity.

Please keep our county whole -- Santa Barbara has no business suggesting we cut it in half
