Subject: Connecting East Ventura County to Santa Clarita

Message Body:

Please draw the Santa Clarita area with East Ventura County on your draft map.

It is important to connect East Ventura County with Santa Clarita, keeping the inland valleys together as they have been for over 30 years.

Therefore please draw a district that will best represent us and link East Ventura County to Santa Clarita.

Subject: Support for the draft maps of Ventura County as of July 11, 2011
Dear Citizens Redistricting Commission:

Please add my support for the Ventura County maps that you recommended as of July 11, 2011. This includes:

The "EVENT" Assembly District, which keeps Oxnard whole and includes Port Hueneme, Camarillo and Thousand Oaks along with its companion "SBWVE" Assembly District, which includes Ventura, Ojai, Moorpark, the Santa Clara Valley and South Santa Barbara County.

The "SBWVE" Senate District, which includes all of Santa Barbara County and all West Ventura County including Ventura, Greater Oxnard, Camarillo and the Santa Clara and Ojai Valleys along with its companion "EVENT" Senate District which keeps Thousand Oaks, Moorpark and Simi Valley together.

The "EVENT" Congressional District, which is a Ventura County based Congressional District, except for Simi Valley.

Thank you.

Sincerely,

Steve Cummings

What is going on here? Exactly what minority is being left out? Do we still have to deal with gerrymandering with this alleged unbiased commission?

Message Body:

I am totally opposed to Eastern Ventura County (Simi Valley, Thousand Oaks, Moorpark) becoming part of a Senate district that covers Encino, Malibu & Pacific Palisades. We should be kept in a group that represents inland valleys. It has worked well for years and should not be changed. I believe public testimony backs up my feeling that we need to remain as we are.

Thank you for doing what is right; keeping us aligned with Santa Clarita.

Connecting East Ventura County with Malibu, Pacific Palisades and along the 101 corridor in the Valley will help preserve diversity that strengthens our democracy.
