Subject: Congressional district

Message Body:

I am asking you to keep Simi Valley and Moorpark within the Ventura County district. We have nothing in common with North Los Angeles County or Antelope Valley. If we are joined with them, our concerns will not receive any attention or representation. I don't think the commission is taking our concerns seriously because of remarks in the newspaper by people on the commission.

Again, PLEASE LEAVE SIMI VALLEY AND MOORPARK IN THE VENTURA DISTRICT.

Thank You, Carol Sherman

Fair representation.... Yeah right. Simi Valley wants to be with our peers here in Ventura county.... NOT the entire north end of Los Angeles county.... What an exaple of laziness... typical...

Subject: Not happy with drawing Ventura w/LA Cty

Message Body:

I have looked at the maps & have discussed it with coworkers, family & friends. Ventura County should not be drawn to include parts of LA County. The cohesiveness, community needs & services & lifestyles are very different.

Lines should be drawn by Ventura Cty cities. Ex. Oxnard, Santa Paula & Fillmore; Ventura & Santa Barbara (if necessaary); Simi Valley & Moorpark; Thousand Oaks, Westlake Village & Oak Park. These cities could be grouped together as I have stated, & probably would not have a dramatic effect on Democrat or Republican seats. I am neither a Democrat or Republica; but in reviewing the current proposed lines; they appear to favor Democratic incumbents, while threatening the Republicans.

I reside in Simi Valley and ask that our state senate seat be joined with Santa Clarita and not part of LA county. Santa Clarita is a similar community that will share our interests- we've been connected to them in the Senate for over 30 years.

Subject: Connect East Ventura County to Santa Clarita

Message Body:

Friday you reviewed visualizations that affected our community. Before you finish this draft map, please consider this:

East Ventura County was linked to Malibu, Pacific Palisades and along the 101 corridor in the Valley. This goes against the public testimony you have received and the direction you have given. It is important to connect East Ventura County with Santa Clarita.

Instead of East Ventura County with Malibu or Ventura Blvd. in the Valley, you should draw the Santa Clarita area with East Ventura County.

Keeping Thousand Oaks, Moorpark and Simi Valley connected to Santa Clarita in a Senate seat will keep inland valleys together and better represented. Historically, for over 30 years, these areas have been connected in a Senate seat. Please draw a district that will best represent us and link East Ventura County to Santa Clarita.

Thank you.

We in Simi Valley should be included with Santa Clarita Valley with regards to redistricting. We are much more like-minded with them than with Beverly Hills, Encino, etc.
