Message Body:

My Family and I have lived in the Kern River Valley (Lake Isabella) for over 25 years and most of us were borned in Bakersfield. Now I'm hearing that you are thinking about adding the K.R.V. to District 34 in Tulare, instead of 32 where we have been all these years, out of Bakersfield. Please DON'T DO THIS...Leave Our District as it is . We ALWAYS do business in Bakersfield and Never go to Tulare. There is No reason to change our District away from Bakersfield this would cause a great deal of Hardship on a lot of the seniors and we are also Disabled. If for any reason we need to get in touch with our District representative we will be able to in Bakersfield. Thank You J.Deems
