Message Body:

Our Congressional District, and State Senate District are looking strangely like they did prior to 2001. And, once again Tulare County is split up in odd ways, with no regard to school districts, county allegiance, and ranching/farming identity.

The CRC has strayed so far from the First Round drafts, statewide, that I am seriously questioning the kind of political pressure that is being put on the Commission. Ignoring the San Joaquin Valley as a separate and cohesive entity serves no one well, and I am losing my faith in what promised to be a new beginning for the State.
