Subject: Richmond's redistricting

Message Body:

Greetings. It is my understanding from Mayor McLaughlin that her wise leadership deems that RIchmond stay as a single entity. She and the RPA have worked hard to bring the diverse aspect's of Richmond together and progress is being made, people feel empowered, honored, respected and valued and the city is working as one to pull itself up by the bootstraps to become a leader of urban success, growing green business and making civic decisions which honor, embrace and nuture the family. Please, do not split Richmond into two Congressional districts. The Mayor and Councilmember Jovanka Beckles do not mind which district that they are part of, but our other esteemed Council members do, remembering the healthy, robust relationship that they have with COngressman Miller. They would like to continue this relationship for his is like a founding Father to us. I would appreciate if I you would honor our wise leaders and do as they bid, so the City Of Richmond can continue to imp!

rove in a family-friendly, well-educated, environmentally correct manner. Thank you.

Dear all,

I live in Richmond and would VASTLY prefer that Richmond stay in CC and not get redistricted into Alameda.

Thank you,

Amy Ukena
