Subject: 7-11 Visualizations

Message Body:

You've read and heard my previous testimony and seen my uploaded equivalency files, so you probably know that I GENERALLY AGREE with the 7-11 visualizations - Keeping Marin whole, combined with Sonoma, not going east or linking with San Francisco. Comments:

AD: Trade population north of Hwy 12 in Santa Rosa to include Rohnert Park in Marin.

SD: Please nest ADs, and include Petaluma with Marin as in AD and CD.

CD: I still strongly believe that the general configuration of the 6th CD best serves the area's COI. The visualization is the second best solution, however.
