Subject: redistricting Napa county

Message Body:

I have been a Napa County resident since 1963, and a tax payer since I stated work in Napa at age 16. I have no intention of changing my address to read Vallejo again, or Solano county. I will not pay taxes to Solano county or the state of California if this redistricting takes place. I will make every purchase I can through the internet to insure that the state does not receive any sales tax even if I have to pay more for shipping than the taxes would cost me.
