Subject: Splitting South San Francisco

Message Body:

I am a voter in western South San Francisco and in San Mateo county and do not want to be split away from the rest of the city and county. If added to san Francisco, Daly City and only half of my city my voice will not be heard. I want to be included with the rest of my city and the county I pay taxes in. I live in the Westborough area of SSF, I work in SSF, I vote in SSF and want to be represented by elected officials from my city and county and not from a larger city with separate interests. Please do not divide my city,
