Subject: Sonoma Valley divided

Message Body:

Commissioners,  
The new Assembly (NoCo and Wine) and Senate (Marin and Napa) District lines divide Sonoma Valley without regard to its community and watershed values.  
Please redraw both the Assembly and Senate District lines using the Sonoma Creek Watershed map. This will ensure a more community oriented voting population.  
The Sonoma Creek Watershed map is available through the Sonoma Ecology Center at [www.sonomaecologycenter.org](http://www.sonomaecologycenter.org).  
Thank you for your consideration of this important geographic and demographic reality.  
Will Pier, candidate for 1st District Supervisor, Sonoma County
