Subject: Line Change Part 2

Message Body:

I sent the Commission an earlier request to include the Airport Cinemas shopping center inside the boundaries of the Santa Rosa-Napa-Vallejo congressional district. I know that this is a last minute appeal, but I am asking that if you make the change, to ALSO include:

1. Sonoma County Retirement Association
2. Sonoma County Winegrape Commission
3. Sonoma County Water Agency (Santa Rosa is the county seat, so the county Water Agency should be placed with the Santa Rosa district)

There would be no population issues, and it would be a simple change.

From HWY 101, follow the line to Mark West Springs Road. Take the district line north up Mark West Springs Road. The district line should follow the dirt road behind Airport Cinemas so that the movie theater and shopping center are in the Santa Rosa district, and the vineyard behind the theater is in the North Coast district. Run the district line parallel to Aviation Blvd. until you pass Sonoma County Retirement Association. Then run the district line southwest and link up with the current line.

Thanks for your consideratrion.
