Subject: Del Norte's Districting

Message Body:

By placing Del Norte County in all the same districts as Humboldt, Mendocino, and on down to Marin, you are essentially participating in Gerrymandering again. Your current ideas, as portrayed by your maps, will place us wholly in a Democratic-controlled area. This will leave a majority of the citizens in the county without an actual voice. We have largely different economies, beliefs, and goals for the future than the counties to the south do. Although we are all located on the ocean, we are so much different than the other counties. Make the right decision and leave us in a district with the Redding area in at least one of the districts.
