From: Susan Alves <[redacted]>  
Subject: Congressional District

Message Body:

I hereby request that you reconsider the split of Glenn County into two congressional district reflected in your redistricting plan. Doing this would result in no representation for the eastern part of Glenn County. We are not a "mountain" community and do NOT belong with the "mountain" congressional district. As one of the poorest counties in California, Glen needs to be represented by one elected representative who represents agricultural counties. Respectfully submitted, Susan Alves
