I oppose the decision to split Glenn County into two Congressional districts. I work for the county and we do NOT have the resources or money for this.

Message Body:

You have suggested that Glenn County be split and have Hamilton City be removed from the same District as Orland and Willows. Willows is our County seat and has worked endlessly with our Reclamation District 2140 for the past years to get a new levee built in Hamilton City. We are near the end of our fight and have come a very long way in our fight. Butte & Yuba County have had nothing to do with our fight. Walley Herger, Diane Fienstein & Barbara Boxer have worked tirelessly to help us obtain our new levee. Changing our District will do untold damage to us I believe. This change would also cause undo hardship on our Elections as the new Districting would cause Glenn County a great deal of money. Please reconsider and do not pull Hamilton City out of Willows and Orland District. Thank you.
