Subject: Leave Lake County in Congressional District 1

Message Body:
I am dismayed to learn that you are removing Lake County from Congressional District 1. In District 1 we share challenges and concerns with other counties in the Coast Range. If we are joined with the Central Valley we will become a small appendage; completely unknown and irrelevant to the concerns of the voters and candidates in that district.
Please allow us to have Fair Representation and allow Democracy to Work. Please leave us in Congressional District 1.
