Subject: Keep Fair Oaks in Sacramento

Message Body:

We have lived in Fair Oaks for 10 years and operate a business off HWY 50 in Sacramento County. Fair Oaks should stay in Sac County and not move to Placer for the following reasons.

Reasons that Fair Oaks should be in the Eastern Sacramento County Assembly District

- Fair Oaks has much more in common with its neighboring communities of Carmichael, Citrus Heights, and Rancho Cordova. We are not in a "community of interest" with Roseville, Rocklin, Loomis and Lincoln.
- Fair Oaks is represented by the Sacramento County Board of Supervisors, and served by the San Juan School District and SMUD. We are served by no Placer County agencies.
- Fair Oaks is distant from Placer County, unlike the other Sacramento County communities the Commission has drawn into the Placer assembly seat. (Folsom and Orangevale both sit on the Placer County border and therefore could be seen as having more in common.)
- Fair Oaks residents travel Highway 50. We take Highway 50 or light rail to jobs downtown.
- Fair Oaks shares common interests with the American River Parkway communities.

There is no reason to put us in a different area in the Assembly maps. Thank you for your consideration.

Sincerely,
Bill Anson
