Subject: Fair Oaks - Eastern Sacramento Assem Dist

Message Body:

It is difficult to believe that you intentions are to meld the Fair oaks Community with "Placer County". Fair Oaks is and always has been a portion of the Sacramento County - with actually nothing in common with Roseville, Rocklin, Loomis or Lincoln. With Orangevale and Folsom contiguous to Placer County why has Fair Oaks been carved out as being in Placer County. I respectfully request the Commission to return Fair Oaks to the Eastern Sacramento County Assembly District. Geoffrey A. Simcoe - Director, Fair Oaks Recreation and Park District
