Subject: Redistricting

Message Body:

I and my wife live in Redding, CA and are NOT coastal California. We very strongly appose being redistricted into coastal California. We are central Northern California or "I-5 Corridor". Our economy, our culture, our political stands are all DIFFERENT than those on the coast. I see this as a thinly veiled attempt by some to neutralize or eliminate us from political influence on our state legislature.

Subject: Should be in I-5 Corridore, not coast

Message Body:

Redding shares nothing in common with the coastal regions of California. Redding should be part of the central valley Interstate 5 district. Divide Humboldt and Del Norte counties and put them with Napa, not Redding!
