Subject: Changing the Shasta Co. voting District.

Message Body:

I am a Shasta Co. resident and have been part of providing input to our own specific county expansion plans over the next 50 years. I-5 is our corridor, it has very little in common to the coastal regions. Our agriculture and our location in the northern part of the valley leading into the Siskou Range is very unique. It would be better advised to leave our voting district in the I-5 corridor.

Subject: Shasta County

Message Body:

Please keep Shasta County as part of the I-5 corridor district. Shasta County is directly tied both economically and socially to the I-5 corridor communities and does not have any relationship with the costal areas of Norhtern California.

Thanks You:
