Message Body:

Our District is most related to the I-5 corridor. Please do not combine the Shasta District with the Coastal District.

Message Body:

Please keep our district in the I-5 corridor, not lumped with Humboldt County on the coast. Our economy is more in line with the I-5 Corridor's.

Subject: Latest Visualizations

Message Body:

Although I think that the proposals I made for redistricting Northern California in my June 20 e-mail were far simpler, better supported, and superior to the latest "visualizations", I find the current districts that you have delineated to be acceptable.

I know you have a thankless job, but I would like to thank you for your hard work.

*Sirs,*

*Shasta County should not be included with the coastal counties. We have nothing in common with them.*

*Do not make things worse, do not move our county in with the coastal counties. There is a mountain range between us.*

*Yours sincerely,*

*Jim and Roberta Wright*
