**Hi Everyone,**

**The commission had already drawn the second maps for redistricting, one day after the deadline!!! Looks like we have been set up and sold out, and it's not pretty. We have to mobilize everyone to ACTION...see her email below. We must not give up now,...so please send this on to everyone on your email list, call friends, Family, neighbors, club members etc and ask them to write or email asap possible. We need to crash their site with emails. Praise the Lord and pass the ammunition!!!**

This just in on redistricting! **Commission just sent out newly-drawn maps !!!**

**Siskiyou, Modoc, Lassen and Shasta**

**are now part of the coastal districts !!!!!!!**

Get the word out right now!!!! Email all of your friends.

We must bombard the Citizens Redistricting Commission that

**Shasta, Siskiyou, Modoc, Lassen counties --**

under absolutely no circumstances should be lumped with the COAST in any way.

We have nothing in common at all.

100s of comments have been sent asking the COMMISSION to keep us as a region  
----seperate from the coast.

Even your current lines would be 1000% times better than lumping us with the coast.

## Priorities-

n **Group along I-5, 101 and US 395 for district lines**

n **Keep Siskiyou, Shasta, and Tehama together.**

n **DON'T under any circumstances cross the mountains and group any coast with any valley our Mountain counties.**

n **Lines should run North South- Not East West**

**Please email the Commission IMMEDIATELY and tell them this is NOT acceptable.**

Why have you included Siskiyou County in with the counties that are along the coast. We have nothing in common with these counties and we should be with counties that have heavy ranching and farming. I realize you are not an elected commission but common sense is all we ask of you.

It is illogical and I reject the proposal to combine Shasta, Siskiyou, Modoc and Lassen counties with the Coastal districts.

Siskiyou, Shasta and Tehama should be together.

I am opposed to THE CHANGE OF THE REDISTRICTING BOUNDARY AS PROPOSED. Makes no sense and is not practical in any way. Especially for those of us whom live and reside in Scott Valley. Please do not implement this proposal!

To whom it may concern,

I respectfully ask that you reconsider dividing Siskiyou County into seperate districts. It is fiscally unwise.

Redistricting does not make sense geographically ,nor is it an economically sound. decision. Please, take your political agenda out of this decision and use the common sense that you should have when working for We the People.
