Dear Sirs And Madam: You are making a decision that effects our area very much and will effect our future to come. So myself and the citizens of our area would appreciate our consideration as people to make suggestion on the outcome of our future of our area. I believe along with others the best way for to help us as Agriculture and Lumber area is to include our area in the I-5 Corridor with the Sacramento Valley as we have more in common with them than the Coastal Region but if this isn't possible we also have a common interest with Northeast California which is Modoc, Lassen, and Plumas Counties which are enter woven as a economic area. I Will appreciate your sincere thought as to our outcome in the Redistricting Process!

Sincerely Yours: Lawrence A. Bell [REDACTED] Mount Shasta Ca. 96067-9725! [REDACTED]

[REDACTED] P.S. I wish you luck in your Process!
