Subject: redistricting loggers with tree huggers

Message Body:

I myself am a tree hugging, dirt worshipper and I live in a wooden box and wipe with...I use wood.

I also love Siskyou county and moved here because it WASN'T the coast. I would hate to see us give up our families and friends to those mattoidal, coastal progressive/commies and their skewed thinking and acting.

Please leave well enough alone and let us keep our selves strong, together.
