Commissioners,

As a resident of Davis, I would like to voice my opinion in opposition to Stan Forbes. Davis may have more book stores than the rest of Yolo County but we are still a rural city. Working at a school, I have come to know many parents and their livelihood. We have many farmers, laborers, and migrant workers in this community and being associated with Sacramento does not help them. I do not think Stan even live here, does he? One only has to look at our farmer's market to see that a lot of people enjoy the rural lifestyle that living so close to the source helps bring food to our tables. Please help us and keep the city Davis with Mike Thompson for he understands both the rural and city side.

Thank you,

Janet Whitmore

Message Body:

Its important that Yolo county be represented fairly by its representatives, people who live in the county and know its needs. We have diverse culture and our population of agriculture,university, and civil service plus our ethnic populations need mindful consideration please dont break our county into pieces. Thank you.,
