Dear Commissioners:

My name is Ronold Wylie. I am a resident of Moraga, CA and I am writing to urge your support of the Bay Area Maps being submitted by the California Conservative Action Group. I support fair and competitive districts that fully comply with Proposition 11 with district geography criteria of natural geographical boundaries such as mountain ranges, bodies of water, of equal population and that comply with the Federal Voting Rights Act. I want my district lines to maintain district contiguity, and compactness by keeping cities, communities and neighborhoods intact as much as possible.

I do not think that districts should jump across the East Bay hills, because the communities from San Leandro to Milpitas have little in common with the Tri- Valley, and everything in common with each other. Please keep the Berkeley Oakland Hills as a natural geographic barrier between urban, ethnic, diverse communities west of the hills and suburban bedroom and office park communities east of the hills.
