Dear Committee Members,

Thank you so very much for the time and effort you are devoting to the Redistricting Project. Please consider the following in your final deliberations.

1. Please keep the Cities of Lancaster and Palmdale united and together. because of their proximity to each other, their contiguous shared border, over lapping community involvements and life styles.
2. In addition and for the very same reasons please keep the High Desert communities of the Cities of Lancaster/Palmdale in northern LA County together with East Kern and the Victor Valley Cities in San Bernardino all in the same district.
3. The Senate District released in the first draft was excellent, it unified the entire High Desert communities interests together, please keep the Senate District in the first draft.

Respectfully,
