I'm a real estate broker in Palmdale.
Palmdale and Lancaster is a sister cities that interchanges even you notice. There are no like not cities that are such close and it is called Antelope Valley community included other rural area.

We need to keep the High Desert cities of Lancaster/Palmdale in northern LA County together with East Kern and the Victor Valley cities in San Bernardino in the same Senate District. The Senate District released in the first draft was excellent, it unified the entire High Desert community of interest together, please keep the Senate District in the first draft.

Thank you,
