*Dear Greater Wilshire, Hancock Park, and Windsor Square stakeholders –*

*We need your help so that we are not completely marginalized in future California elections. Please forward the message below to the California redistricting commission. Ask them to fix our boundaries. The address to send your email is [REDACTED] :*

Dear California Redistricting Commission --

I am writing on behalf of Greater Wilshire, a century-old community in Los Angeles of 50,000 residents.

Your draft maps propose to split us in half. See our details and requests for correction below. The proposed boundary line that you have drawn of Plymouth Boulevard cannot stand. Please keep us intact by conforming to our eastern boundary, which is Western Avenue, in your mapping.

1. **Who We Are.** We are voters who live in the community known as Greater Wilshire in Los Angeles. Our community includes 15 residential associations with histories dating back nearly 100 years. Our two largest and best known neighborhoods are Hancock Park and Windsor Square. Our eastern boundary is Western Avenue. Our western boundary is La Brea Avenue. You have proposed to split us in half at Plymouth Boulevard in your draft redistricting maps.

2. **The Redistricting Mission.** You are obliged to keep our century-old neighborhood intact in your redistricting effort, pursuant to the following governing rule: "*The geographic integrity of any city, county, city and county, neighborhood, or community of interest shall be respected to the extent possible without violating the requirements of any of the preceding subdivisions. Communities of interest shall not include relationships with political parties, incumbents, or political candidates.*"

3. **Required Corrections to Draft Maps:**

a. **State Board of Equalization.** Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.

b. **Congressional Districts.** In each of the 3 options, you have divided us in half at Plymouth Boulevard. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.

c. **Assembly Districts.** In both of the 2 options, you have divided us in half at Plymouth Boulevard. We belong with LAMWS or with LADNT, but the entirety of Greater Wilshire from La Brea Avenue to Western Avenue must be included in one or the other, not both.

Signed, Your Greater Wilshire Neighbors

Dear Redistricting Commission,

I agree that Greater Wilshire should not be split at Plymouth Blvd. The usual boundaries have been Western Avenue to La Brea Street. The subway entrance is at Western Avenue. As a longtime resident (Since 1941) I appreciate your consideration of this change.

Ladies and Gentlemen of the California Redistricting Commission,

I own one home on Norton Avenue and another on Irving Boulevard. Both homes lie between Beverly Boulevard and Third Street. I agree with my fellow owners and other residents in this area that your proposed boundaries should be changed. Please see below for further details:

1. **Who We Are.** We are voters who live in the community known as Greater Wilshire in Los Angeles. Our community includes 15 residential associations with histories dating back nearly 100 years. Our two largest and best known neighborhoods are Hancock Park and Windsor Square. Our eastern boundary is Western Avenue. Our western boundary is La Brea Avenue. You have proposed to split us in half at Plymouth Boulevard in your draft redistricting maps.

2. **The Redistricting Mission.** You are obliged to keep our century-old neighborhood intact in your redistricting effort, pursuant to the following governing rule: "*The geographic integrity of any city, county, city and county, neighborhood, or community of interest shall be respected to the extent possible without violating the requirements of any of the preceding subdivisions. Communities of interest shall not include relationships with political parties, incumbents, or political candidates.*"

3. **Required Corrections to Draft Maps:**

a. **State Board of Equalization.** Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.

b. **Congressional Districts.** In each of the 3 options, you have divided us in half at Plymouth Boulevard. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.

c. **Assembly Districts.** In both of the 2 options, you have divided us in half at Plymouth Boulevard. We belong with LAMWS or with LADNT, but the entirety of Greater Wilshire from La Brea Avenue to Western Avenue must be included in one or the other, not both.

Very truly yours,

Robert Scot Clifford

California Redistricting Commission,

1. Who We Are. We are voters who live in the community known as Greater Wilshire in Los Angeles. Our community includes 15 residential associations with histories dating back nearly 100 years. Our two largest and best known neighborhoods are Hancock Park and Windsor Square. Our eastern boundary is Western Avenue. Our western boundary is La Brea Avenue. You have proposed to split us in half at Plymouth Boulevard in your draft redistricting maps.

2. The Redistricting Mission. You are obliged to keep our century-old neighborhood intact in your redistricting effort, pursuant to the following governing rule: "*The geographic integrity of any city, county, city and county, neighborhood, or community of interest shall be respected to the extent possible without violating the requirements of any of the preceding subdivisions. Communities of interest shall not include relationships with political parties, incumbents, or political candidates.*"

3. Required Corrections to Draft Maps:

a. State Board of Equalization. Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.

b. Congressional Districts. In each of the 3 options, you have divided us in half at Plymouth Boulevard. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.

c. Assembly Districts. In both of the 2 options, you have divided us in half at Plymouth Boulevard. We belong with LAMWS or with LADNT, but the entirety of Greater Wilshire from La Brea Avenue to Western Avenue must be included in one or the other, not both.

Signed, Your Greater Wilshire Neighbors

John Welborne, Jane Usher, Liz Fuller, Jack Humphreville, Owen Smith, Wendy Savage, Cindy Chvatal-Keane, John Gresham, Esther Spector, Stanley Isaacs,

Dear BLOCK, Do you understand Caroline's message???? This is a terrible move. We have absolutely nothing in common with the area east of us, except we are all humans. Look at the demographics. Windsor Square is an absolute area from Arden to Irving, and in this case to Western. We do not belong east in any way. To prove my point, just try going to one of the eastern neighborhood meetings as I did. Your participation is needed. Surely a couple of sentences of email could be managed out of your busy, busy lives. Suzanne

Dear Suzanne, and neighbors

I hope you have received this - it is important to understand that in each of three different options proposed for new districts our voting for Congress and State offices will be with communities east of us (dividing at Plymouth). The genesis of these borders is from the Census borders - ones made with no reference to anything other than convenience - yet the impacts of our portion of Windsor Square being sliced off is to move our votes into neighborhoods with which we have less in common than those to our west. This was the same boundary process that moved us from the Wilshire to Olympic Police Divisions.

This is a citizen commission deciding on the re-districting (<http://wedrawthelines.ca.gov/>) and they have asked to hear from the people affected. If we do not register our objections they will not be moved to re-think

the borders. The co-signers of the letter below are people with whom I have worked and are active, attentive, knowledgeable and wise.
