1. Who We Are. We are voters who live in the community known as Greater Wilshire in Los Angeles. Our community includes 15 residential associations with histories dating back nearly 100 years. Our two largest and best known neighborhoods are Hancock Park and Windsor Square. Our eastern boundary is Western Avenue. Our western boundary is La Brea Avenue.

2. The Redistricting Mission. You are obliged to keep our century-old neighborhood intact in your redistricting effort, pursuant to the following governing rule: "The geographic integrity of any city, county, city and county, neighborhood, or community of interest shall be respected to the extent possible without violating the requirements of any of the preceding subdivisions. Communities of interest shall not include relationships with political parties, incumbents, or political candidates."

3. Required Corrections to Draft Maps.

a. State Board of Equalization. Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.

b. Congressional Districts. In each of the 3 options, you have divided us in half. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.

c. Assembly Districts. In both of the 2 options, you have divided us in half. We belong with LAMWS or with LADNT, but the entirety of Greater Wilshire from La Brea Avenue to Western Avenue must be included in one or the other, not both.

Dear redistricting committee,

As a thirty year resident of the Greater Wishire neighborhood, I have never considered the public officials elected in my voting districts to represent my interest. I have voted only because of civic duty, rather than with any hope the elected politicians would act in our community interests. Therefore, I adopt the following and urge you to reconsider your tentative decision to break up our community in the current redistricting:

1. Who We Are. We are voters who live in the community known as Greater Wilshire in Los Angeles. Our community includes 15 residential associations with histories dating back nearly 100 years. Our two largest and best known neighborhoods are Hancock Park and Windsor Square. Our eastern boundary is Western Avenue. Our western boundary is La Brea Avenue.

Communities of interest shall not include relationships with political parties, incumbents, or political candidates."

3. Required Corrections to Draft Maps.

a. State Board of Equalization. Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.

b. Congressional Districts. In each of the 3 options, you have divided us in half. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.

c. Assembly Districts. In both of the 2 options, you have divided us in half. We belong with LAMWS or with LADNT, but the entirety of Greater Wilshire from La Brea Avenue to Western Avenue must be included in one or the other, not both.

Thank you for listening. I hope you will act to prevent our historical neighborhood from being fragmented.

Very truly yours,
Sheila Novak

Dear California Redistricting Commission:

I have lived in Hancock Park for 40 years and appreciate the wonderful community with its diversity and cohesiveness. I am also really concerned with the proposed re-districting that will split it in two.

The proposed boundary line that you have drawn on Plymouth Boulevard makes no sense. Please keep us intact by conforming to our eastern boundary, which is Western Avenue, in your mapping.

As I understand the guidelines for redistricting, you are to consider:

"The geographic integrity of any city, county, city and county, neighborhood, or community of interest shall be respected to the extent possible without violating the requirements of any of the preceding subdivisions. Communities of interest shall not include relationships with political parties, incumbents, or political candidates."

Please make the following corrections to Draft Maps:

- 1. State Board of Equalization.** Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.
- 2. Congressional Districts.** In each of the 3 options, you have divided us in half at Plymouth Boulevard. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.

Communities of interest shall not include relationships with political parties, incumbents, or political candidates.*"

3. Required Corrections to Draft Maps:

a. State Board of Equalization. Please return us to the LA district for the State Board of Equalization. We lie at the midpoint of Los Angeles, but you have inexplicably removed us and placed us in a district called East, where we claim no community of interest.

b. Congressional Districts. In each of the 3 options, you have divided us in half at Plymouth Boulevard. We belong with WLADT. The westernmost boundary of ELABH should not begin until Western Avenue.

c. Assembly Districts. In both of the 2 options, you have divided us in half at Plymouth Boulevard. We belong with LAMWS or with LADNT, but the entirety of Greater Wilshire from La Brea Avenue to Western Avenue must be included in one or the other, not both.

Signed,

Annie Goepel
