Subject: La Habra

Message Body:

As a resident in the City of La Habra, located in Orange County, I am strongly opposed to the Commission's plans to place La Habra in Senate and Assembly Districts comprised solely of Los Angeles County cities. La Habra does not share with Los Angeles County communities the same community identity, history, characteristics and relationships, which directly correlate to our vision for the future of La Habra. Rather, is more closely aligned with north Orange County cities, which rely on Orange County-based educational institutions, the Orange County Transportation Authority, the Municipal Water District of Orange County and many other organizations.

Specifically, the City of La Habra should be placed in the DB-YL (Diamond Bar-Yorba Linda) Senate District and either the DBRYL (Diamond Bar Yorba Linda) or ANAFULL (Anaheim Fullerton) Assembly District. The present map visualizations place La Habra in the Los Angeles-Covina Senate District and the Whittier-Norwalk Assembly District. To be the only Orange County city in districts with all Los Angeles County cities is unacceptable as it will compromise La Habra's representation in public affairs at the State Legislative level.

La Habra needs to be represented by elected officials that understand and share our local vision, goals and objectives. Our success and future is tied to the north Orange County region, and collectively, we need to be represented in Sacramento, not as an afterthought or island at the tail end of a Los Angeles County-dominated district.

I urge you to reconsider the placement of La Habra in the proposed district and realign the City with its other north Orange County communities of interest.

To Whom It May Concern,

Attached is my letter asking that you seriously reconsider the redistricting of the city of La Habra. We are an Orange County city and should be included in an Orange County District.

Thank you,

Dear Commission Members:

As a new resident in the City of La Habra, located in Orange County, I am strongly opposed to the Commission's plans to place La Habra in Senate and Assembly Districts comprised solely of Los Angeles County cities. As is historically evident, La Habra does not share with Los Angeles County communities the same community identity, history, characteristics and relationships which directly correlate to our vision for the future of La Habra. Rather, is more closely aligned with north Orange County cities, which rely on Orange County-based educational institutions, the Orange County Transportation Authority, the Municipal Water District of Orange County and many other organizations.

Specifically, the City of La Habra should be placed in the DB-YL (Diamond Bar-Yorba Linda) Senate District and either the DBRYL (Diamond Bar Yorba Linda) or ANAFULL (Anaheim Fullerton) Assembly District. The map visualizations as they are presently drawn, place La Habra in the Los Angeles-Covina Senate District and the Whittier-Norwalk Assembly District. To be the only Orange County city in districts with all Los Angeles County cities is truly unacceptable as it will compromise La Habra's representation in public affairs at the State Legislative level.

La Habra needs to be represented by elected officials that understand and share our local vision, goals and objectives. Our success and future as a productive city is tied to the north Orange County region, and collectively, we need to be represented in Sacramento, not as an afterthought or island at the tail end of a Los Angeles County-dominated district, but as a long standing member of the Orange County district.

I urge you to reconsider the placement of La Habra in the proposed district and realign the City with its other north Orange County communities of interest.

In such a volatile time where politics and the political atmosphere is in a constant state of flux and chaos, a redistricting move as the one planned actually challenges the welfare and well being of it's residential individuals. Do not do this to the people of the City Of La Habra.

Sincerely,
