Ladies and Gentlemen:

As I understand, the Redistricting Commission is planning to draw up a NEW congressional and state legislative district boundaries for the upcoming 2012 election.

I am strongly opposed to the proposed gerrymandering and want a district with commonality.

- **Put Torrance back in the 36th Congressional District (and Assembly District)**
- **The South Bay should be Westchester south only**

This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighbors and our community.

We in the South Bay ask that you keep us together. This is very important to us. It's not about party or ideology. It's about our neighbors and having a representative who lives in our community and can actually represent us.

To The Redistricting Commission:

Your suggested boundaries do not represent the interests of the South Bay. It looks strikingly similar to the often-ridiculed CA-23. We voted for this Commission to create lines that make sense, not ones that divide our community. This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighbors and our community. It is imperative that you put:

Torrance back in the 36th Congressional District (and Assembly District).

The South Bay should be Westchester south only.

El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance,

Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena in the same district.

We in the South Bay ask that you keep us together. This is very important to us. It's not about party or ideology, it's about our neighbors and having a representative who lives in our community and can actually represent us. I trust you and expect for your new redistricting to not favor any political party or politician, but give ALL voters fair representation. This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighboring communities.

Thank you for your support. Let's put an end to this improper gerrymandering practice by acting now.

Respectfully yours,
Georgina Ortega

Dear Sir/madam,

The Commission putting together new boundaries is not acting in the best interests of the voters. This is what I would like to happen:

- Put Torrance back in the 36th Congressional District (and Assembly District)
- The South Bay should be Westchester south only

El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena belong in the same district.

This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighbors and our community.

I urge you to not allow gerrymandering to be part of the redistricting process. It is not fair nor competitive to split up the South Bay area of Los Angeles County. I urge you to do the right thing by:

- Putting Torrance back in the 36th Congressional District/Assembly District
- South Bay should be Westchester south only

Dear Redistricting Commission:

I am writing as a concerned citizen residing in Torrance. I am aware that our district boundaries will be redrawn. Please don't let this happen! We don't want to be divided.

I am in favor of keeping the 36th District the South Bay area. I am against fixing the district lines to favor politicians & special interest groups and not the voters.

Put Torrance back in the 36th Congressional District (and Assembly District). The South Bay should be Westchester south only which includes: El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena.

This is our community and I want to see it intact not split up. I am strongly opposed to this gerrymandering and want a district with commonality.

We in the South Bay ask that you keep us together. This is very important to us. It's not about party or ideology. It's about our neighbors and having a representative who lives in our community and can actually represent us.
