Dear Sirs

Please put Torrance back in the 36th Congressional District (and Assembly District). The South Bay should be Westchester south only - El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena belong in the same district.

This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighbors and our community.

The gerrymandered District you have conceived violates the spirit and probably the letter of the Proposition that was passed. It certainly violates your pledge create new boundaries that were fair and competitive-so no district "belonged" to any one party.

Please create a fair 36th District and help restore the trust and respect that has been sorely tested over the last many years in California.

I am sending this message to remind you of your promise to create new boundaries that are fair and competitive so no district "belongs" to any one party. You are supposed to be looking out for the citizens, not the corrupt self-serving career politicians. Please do not violate the public trust. We have had enough of that!!

Commissioners,

You have been commissioned to do a fair/just/logical job of redrawing the precinct/voting boundaries. Please do so. It has come to my attention recently that you are planning to cut Torrance from the 36<sup>th</sup> Congressional District. WHY does this make any sense? "South Bay" should be Westchester south only. Do YOU live there? El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena belong in the same district. People's entire lives – business interests, economic activity, neighborhood/community activities – are intertwined in South Bay. They deserve a district with commonality. Keep the "Neighborhood" together. It's not about party or ideology. It's about neighbors and having a representative who lives in the community who can actually represent them.

And please keep this in mind in other communities around the state.

Thank you – now go do the right thing.

I have reviewed the proposals on Google Earth. And as a Torrance resident I do not agree with removing us out of the 36th district.

PLEASE:

Put Torrance back in the 36th Congressional and Assembly Districts.

The South Bay should be Westchester and going south only... we have nothing in common going north of that!!

Torrance residents work, play, shop and go to school all throughout the Beach Cities. We are tied to them as a communtiy and they to us. We should not be removed from it.

The 36th district should include, Redondo, Hermosa, Manhattan, Torrance, Gardena, Hawthorne, Lomita, PV/Rolling hills, San Pedro, El Segundo, PDR and Westchester. We are all affected by and use the same things such as the large aerospace community, colleges, freeways etc.

Thanks for your consideration,

I am a voter in the current 36th district which is the South Bay, and I'm very concerned that with the new redistricting that our community is not going to be represented by someone who lives and works in our community which is the South Bay. I have lived here all my life and I TRULY believe the people of the South Bay will be better served by one of our own.

I don't believe we will be represented fairly with the new redistricting and I'm totally against it. Torrance should be added back in the 36th Congressional District (and Assembly District) . The South Bay should be Westchester and south of that only. The cities that share commonality and should be together are: El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena belong in the same district.

Thank you.

This is absolutely unbelievable - you "elected representatives" of the people just continue to do what ever you want - to the detriment of the people you supposedly represent. WE don't want your proposed boundaries for districts. We're truly fed up. We did not vote for this to have you gerrymander all over again with our district.

Please:

- Put Torrance back in the 36th Congressional District (and Assembly District)
- The South Bay should be Westchester south only

El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena belong in the same district.

It's not too late to remember that in a democracy the elected officials are supposed to represent their constituency. Once again we request something of you, without much hope of being heard at this point, but hope springs eternal so I am writing again.

Kristi

Dear Redistricting Committee:

The proposed plan to divide Torrance from the South Bay is bad. We are close neighbors and share mutual problems. Please put Torrance back in the 36th Congressional District. The South Bay should be from Westchester south only.

Sincerely,

Harry and Delores Nelson

Dear Commission

As you are awaiting to hear responses from the community, I as a voting member of the South Bay would like to register my response. NEW congressional and state legislative district boundaries for the upcoming 2012 election should be done so that no district "belonged" to any one party. Keep the 36th District in the South Bay area! We voted for this Commission to create lines that make sense, not ones that divide our community. **The current proposal to create a beach district and divide the South Bay is unacceptable to members of this community.**

- Put Torrance back in the 36th Congressional District (and Assembly District). El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palms Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena belong in the same district.
- The South Bay should be Westchester south only

It is our personal lives, business interests, economic activity and having a representative who lives in our community and can actually represent us.

Thank you for choosing the right way.

Best regards,  
Mrs. Thelma Newton  
Voter

**To Whom it May Concern,**

**It is my understanding that the redistricting effort will be dividing the South Bay and eliminating Torrance from the 36th District. This is unacceptable. I have lived in the South Bay my entire life, being born at Torrance Hospital back in 1954. I currently live in Redondo Beach. It is unacceptable to imagine Torrance not being part of the Beach communities. In fact Torrance has a part of the beach known as Torrance Beach.** Put Torrance back in the 36th Congressional District (and Assembly District). The South Bay should be Westchester south only. Pretty simple. Include El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena. Again pretty simple. This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighbors and our community. I am strongly opposed to this gerrymandering and want a district with commonality. We in the South Bay ask that you keep us together. This is very important to us. It's not about party or ideology. It's about our neighbors and having a representative who lives in our community and can actually represent us.

to whom it may concern:

I live in the South Bay Area of Redondo Beach. I would like Torrance to be placed back into the 36th congressional & assembly district.

The South Bay 36th congressional district needs to include: all cities Weschester and south only: for example it would be Weschester, El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne and Gardena. All of these cities need to be in the 36th district.

Thank you for your help in correcting this situation.

To whom it may concern,

As a resident of Torrance, I'm writing to express my strong opinions regarding the drawing on the 36th Congressional District.

Specifically, that:

- Torrance be put back in the 36th Congressional District (and Assembly District)
- The South Bay should be Westchester south only
- That El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena belong in the same district.

This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighbors and our community.

**I am EXTREMELY appalled at the gerrymandering practice of the Redistricting Commission for the 36th District and Assembly District. I strongly oppose this gerrymandering and want a district with commonality.**

**This is my community, my friends, family and neighbors, our personal lives, business interests, economic activity and everything else are intertwined within our community. We in the South Bay ask that you keep us together. This is not about party or ideology. **This is a very important issue to us all in the South Bay. Once I learned about this gerrymandering practice that the Redistricting Commission is planning to do; I have spoken to everyone I know and the consensus of my friends, family and neighbors as a whole are extremely opposed to this improper gerrymandering practice.**

**Below is and outline of how the districts should be laid out.**

- **Put Torrance back in the 36th Congressional District (and Assembly District)**
- **The South Bay should be Westchester south only**
- **El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena belong in the same district**

**Be aware that you will be hearing from many others who oppose this gerrymandering in the South Bay.**

**We thank you in advance in honoring our request.**

Dear Redistricting Commission

You were created to set fair, reasonable boundaries that did not favor one party or the other. Enough of the gerrymandering.! I work and live in Torrance which has been and should logically be in the 36th District for Congress and the Assembly.

We need you to put Torrance back in the 36th Congressional Assembly District. The South Bay should be Westchester South only.

El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne and Gardena belong in the same district. This is our community. Our personal lives, business interest, economic activities and every thing else are intertwined with our neighbors and community.

Please do your job properly by giving us a district that represents our South Bay Community. **NO MORE** Gerrymandering! We in the South Bay ask that you keep us together.

Sincerely,

To Redistricting Commission,

I thought that you had changed my district to get rid of the **GERRYMANDERED** lines that we have had for **TOO LONG!!!!**

- Torrance should be included in the the 36th Congressional District (and Assembly District)
- Cities north of Westchester should not be part of my district.

These cities should be in my district: El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes, Rolling Hills, San Pedro, Hawthorne, and Gardena. We have lived in this district 39 years, and have been active in our community all this time. The lines of our district in the last years have been totally gerrymandered, and now, with your plan to send a thin line up the coast to include parts of Dockweiler Beach, Venice, Santa Monica, Malibu, Bel Air and all the way to Beverly Hills, Topanga, Calabasas and parts of L.A. you will give us the worst ever.

This is not what we voters asked for !!!!!

- Put Torrance back in the 36th Congressional District and the South Bay should be Westchester south only.

I live in the South Bay and have lived here since 1972. That is almost 40 years. Almost all my friends live in the South Bay. I have been in business after business all in the South Bay. Washington effects almost every aspect of our tives now days. We need a representative in Washington from the South Bay. The proposed boundaries for the 36th District of California bring in areas of L. A. that are far from the South Bay. This will have the effect of disenfranchising the South Bay citizens. Torrance belongs in the 36th Congressional District. The South Bay should be Westchester south only. Please reject the proposed boundaries.
