

Subject: Valley village redistrict

The Possible change to Valley Village district is wronge and needs to be addressed. Currently the borders include homes to the 170 and the new district would remove homes from colfax to the 170 this is crazy. If you were to travel to our community you would see why this change makes no sence and we must fix it. Thank you

Subject: PLEASE CHANGE THE LATEST CONGRESSION MAP BOUNDRY WHICH DIVIDES THE COMMUNITY OF VALLEY VILLAGE CA

I live in Valley Village, located in Los Angeles, CA. I am VERY concerned that the new map proposed earlier this week will divide Valley Village into TWO parts. Please redraw the line so it follows the 170 Freeway and keeps the 25,000 stakeholders in Valley Village in one congressional district.

I live in Valley Village California, 91601.

I recently learned that the latest map will divide Valley Village into two parts.

Please see that the lines follow the 170 Freeway and keeps 25,000 + stakeholders, that live in Valley Village, in one Congressional District.

I live in Valley Village, California.

Please keep the districting line following the 170 Freeway, so that over 25,000 stakeholders remain in one Congressional District, rather than be split into two.

Message Body:

Leave the Congressional District for Valley Village, California at the 170 Freeway border. Do not split Valley Village into two Districts.

We in Valley Village, want to remain as one Congressional District.

Subject: Valley Village (Los Angeles) redistricting

Message Body:

The current proposed division of Valley Village along Colfax Avenue is a mistake. The area is a contiguous community with shared interests, economics, social events and school district. Please consider adhering the traditional boundaries of Valley Village along the 170 freeway, rather than dividing the community along Colfax Avenue.
