Dear Members of the Committee and Other Interested Parties,

As a resident of the Los Angeles community of Westchester, I am writing to request that you recognize the communities of Westchester/Playa del Rey/Playa Vista should be combined in the same congressional district as the South Bay Cities. Please understand that: (1) our community is Westchester/Playa del Rey/Playa Vista and is recognized as such by the City of Los Angeles and should remain in the same districts, and (2) we share a multitude of common interests and concerns with the South Bay Cities (such as transportation issues, LAX issues, and coastal/environmental issues) and should be included with them. We do not share much in common with the cities to the east and therefore should not be included in the same congressional district(s) as those cities. Thank you for your consideration of and attention to this matter.
