Subject: Redistricting for State Senate

Message Body:

Friday you reviewed visualizations that affected our community. Before you finish this draft map, please consider this:

East Ventura County was linked to Malibu, Pacific Palisades and along the 101 corridor in the Valley. This goes against the public testimony you have received and the direction you have given. It is important to connect East Ventura County with Santa Clarita.

Instead of East Ventura County with Malibu or Ventura Blvd. in the Valley, you should draw the Santa Clarita area with East Ventura County.

Keeping Thousand Oaks, Moorpark and Simi Valley connected to Santa Clarita in a Senate seat will keep inland valleys together and better represented. Historically, for over 30 years, these areas have been connected in a Senate seat. Please draw a district that will best represent us and link East Ventura County to Santa Clarita.

Thank you.
