Message Body:

On July 8th, the Commission reviewed a visualization of an Antelope Valley/Santa Clarita Valley/Northeast San Fernando Valley Senate District.

This visualization does not reflect community of interest testimony.

This visualization does not reflect the direction the Commission gave to the line drawers.

Please connect the Santa Clarita Valley with East Ventura County. These communities are similar and have been together in a State Senate district since 1982.

Please keep neighboring Agua Dulce in the Santa Clarita Valley Assembly District. These communities are similar, share the same watershed, the same school and college districts, and the same commercial centers along the same roadways; and they should have been together in the same Assembly district since 1970.
