Urgent Alert!

If you read The Desert Sun, Sunday Edition, there were maps of the 36th Congressional District, State Senate District, and THE STATE ASSEMBLY DISTRICTS. The last requires your immediate attention - PLEASE!

The Imperial Valley and the Coachella Valley have nothing in common. They were settled by entirely different groups of people. In spite of the "non-biased" committee who developed these districts, we have lost our voting rights by being "dumped" with the Imperial Valley.

We belong with Palm springs, La Quinta, and all the other places north of the Salton Sea, and WHERE OUR VOTE CAN MAKE A DIFFERENCE.

Please contact the address at the top of this e-mail and make your wishes known.

If you have any questions, please call me = (760) [REDACTED]
