Subject: Looking for census tract numbers

Message Body:

I am in Congressional District 25 (Santa Clarita). Where can I get census tract maps for this district. Or at least a census tract table.

I'd like to analyze the 2010 census data related to this district.

Thank you.

Hello,

We are strongly opposed to this gerrymandering and want a district with commonality. This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighborhood and our community. El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes Peninsula, San Pedro, Hawthorne, and Gardena belong in the same district. And the Assembly District should keep El Segundo in it. All of Torrance and Lomita should be put back into the former 36th Congressional District. The South Bay Congressional District should be Westchester south only. We in the South Bay ask that you keep us together. This is very important to us. It's not about party or ideology. It's not about race or ethnic makeup. It's about our neighbors and having a representative who knows our community and can actually represent us. Thank you for listening to our concerns.

Sincerely,

Donna Takaki
