**PETITION TO THE CALIFORNIA CITIZENS' REDISTRICTING COMMISSION**

We the undersigned hereby request that the California Citizen's Redistricting Commission permit Commissioner Michael Ward file a minority report explaining his reasons for voting against the state and federal legislative districts in California.

The Commission's Code of Conduct requires commissioners to "disclose information that belongs in the public domain freely and completely." Article 21 of the state Constitution, provides in Section 2(a) that the commission shall "conduct an open and transparent process enabling full public consideration of and comment on the drawing of district lines."

These goals and criteria will not be met if Commissioner Ward is muzzled. All Commissioners should be allowed to file a full and complete minority report to the public on the Commission website and to the media.

**Subject:** Redistricting Commission PLEASE Reject the Preliminary Final State Senate Plan

**From:** Frances Renteria <[REDACTED]>

**To:** [REDACTED]

Members of the Redistricting Commission,

**Please reject the preliminary final map for the California State Senate. The map will diminish Latino opportunities in the California State Senate and does not provide California's growing Latino community with a fair opportunity to achieve full representation in California's democracy.**

The preliminary final Senate map reduces the number of districts where Latinos can effectively choose their leaders **from SIX to FIVE.**

**Latino communities in East San Jose, Orange County, and the San Fernando Valley would be located in Senate districts with a weaker Latino presence than their current districts. Additionally, California's Latino community will face significant challenges with achieving fair representation in the Central Valley, where only one opportunity exists to elect an Assemblymember or Congressman.**

Please reject the Preliminary Final State Senate plan.

Sincerely,

Frances and Rafael Renteria

Gentleman,

Please reject the current redistricting map on Aug. 15.

The new redistricting map needs to take into consideration the fair political representation of the growing Latino population in California. So far, the map does not reflect fair representation.

Thank you,

Jay Sanchez
