To: <[REDACTED]>

I am writing to you to express my deep concern in regards to the re-districting of Southern Calif. I am a lifetime resident growing up in Torrance Ca. and continue being a productive citizen in the So. Bay Area.

I am deeply troubled by the gerrymandering of the district territories. I cant believe the ones responsible thought that they could get away with this one.

I am requesting that you;

- A) Put all of Torrance and Lomita back into the former 36th Congressional District,
- B) And that the South Bay Congressional District should be Westchester south only.

Sincerely

Bill Hulseley

As a former school district superintendent and someone with three college and universities degrees I have seen a lot of political hacks use everything they can to put money in the pockets of their friends and themselves. This is one of the tops. I am referring to your redistricting of the South Bay.

You swear to make fair changes and have NO intention of doing so nor do you care what the people want. It is all about ripping us off and taking our money and giving it to your cronies and getting kickbacks for yourself. To run a district all the way to Beverly Hills is a blatant disregard of the laws and requirements.

We are tired of you and hopefully you will be sued and then kicked out of our state and country. Go find yourself some other country and rip them off for a change.

What has happened to our district.I thought that it was very bad in the last 10 years, but now you have gerrymandered it to the most ridiculous district in the UnitedStates. This must be changed immediatly.This is now the most democrat, liberal dist. in the country.It lookes like a spider web.What in all hell are you doing to us? TORRANCE IS THE LARGEST CITY IN THE SOUTH BAY AND YOU HAVE RIPPED US APART. PLEASE CHANGE IT TO A BEACH AND PV PENINSULA CITY NOT A SPIDER WEB. THANK YOU?

Hello,

I am requesting you take the following action as soon as possible:

- **Put all of Torrance and Lomita back into the former 36th Congressional District**
- **The South Bay Congressional District should be Westchester south only**

El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes Peninsula, San Pedro, Hawthorne, and Gardena belong in the same district.

The Assembly District should keep El Segundo in it.

This is our community and we need to be strong as one community.

We were promised that the Redistricting Commission would draw up new boundaries that were fair and competitive. I believe this is what needs to be done.

Regards,

Kenneth Edwards

The districting is being done improperly.....

Given that the commission has drawn up unfair and biased new boundaries that will be effective for 10 years and we were promised that the Redistricting Commission would draw up new boundaries that were fair and competitive, I implore that you do the right thing and not allow the current redistricting plans to prevail.

In our Congressional/ Assembly districts, things have happened that are just plain wrong.

Congress

Instead of a South Bay district with common interests, the Redistricting Commission is...

Removing part of Torrance from the district and all of Lomita
Keeping Palos Verdes Peninsula and the beach cities...but also a narrow string of Dockweiler Beach, Venice, Santa Monica, Malibu, Bel Air and all the way to Beverly Hills, Topanga, Calabasas, Agoura, and parts of L.A.
Removing all of San Pedro, Wilmington, Harbor City, Gardena, Hawthorne and Carson

This makes no sense. And it puts the districts back in the hands of career politicians. Frankly, this will be one of the worst gerrymandered district in the state!

The suggested boundaries do not represent the interests of the South Bay. We voted for this Commission to create lines that make sense, not ones that divide our community.

Assembly

This isn't as bad, but El Segundo is out!

The new district will last for 10 years. The current proposal to create a beach district and divide the South Bay is unacceptable to members of this community.

Please

Put all of Torrance and Lomita back into the former 36th Congressional District The South Bay Congressional District should be Westchester south only

El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes Peninsula, San Pedro, Hawthorne, and Gardena belong in the same district. And the Assembly District should keep El Segundo in it.

This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighborhood and our community.

It appears that the Commission has pretty well decided, but I am strongly opposed to this gerrymandering and want a district with commonality.

We in the South Bay ask that you keep us together. This is very important to us. It's not about party or ideology. It's not about race or ethnic makeup. It's about our neighbors and having a representative who knows our community and can actually represent us.

Thank you for your consideration. Please put an end to this improper gerrymandering.

Sincerely,

Mike Pauls

Dear Sir,

You have placed the Playa Del Rey and Westchester area in a community of interest with Santa Monica and Malibu.

This is preposterous. The community of interest is with the Beach Cities west of the 405 freeway. These are El Segundo, Manhattan Beach, Redondo Beach and Torrance.

Besides my own community, I bank, shop, eat out and use the library in El Segundo. My four doctors that I see periodically are all in Torrance. I also shop and eat out in Torrance and on occasion shop and eat out in Manhattan Beach and Redondo Beach.

Traffic congestion and parking problems in West Los Angeles have a lot to do with me staying away from that area which includes Santa Monica. Malibu is so far away I cannot even relate to those wealthy people many from the entertainment industry who own homes out there.

From what I have read your redistricting appears to be a failure and you will be facing many law suits from many different entities. In addition you have split up Torrance which is also ridiculous.

If I did not know better I would have thought all the committee members were smoking grass when they devised this plan.

TO WHOM IT MAY CONCERN --

PLEASE !!!! leave the cities in the south bay district ALONE!! Please do not split the city of Torrance up and take Lomita out! The south bay district should be from Westchester down thru the beach cities -- including El Segundo, Gardena, Hawthorne, Manhattan, Hermosa and Redondo Beach, Lomita, Palos Verdes Penn and San Pedro -- ***all belong in the same district!!***

These communities have been together for decades -- and should stay that way. This is only using common sense. Please STOP this improper gerrymandering practice!!
