Subject: Proposed District 22

Message Body:

To Whom it May Concern:

Why have you ensured that district 22 will incorporate the most affluent sections of Fresno and Clovis? You seem to have sectioned off the poorest parts of the Fresno Metropolitan area, and given district 22 the most conservative sections, insuring that district 22 will maintain a conservative seat. Isn't this what you were trying to avoid? It seems to me that you have failed in your duties. I suggest you redraw the lines.
