Subject: SAN LEANDRO

Message Body:

DO NOT BREAK UP SAN LEANDRO. We are a whole small city community. Our interests differ from Oakland and Hayward/Union City.

It's not right to draw redistricting boundaries so that wipeout the unique concerns and identity of our community.

We are a community with a large elderly population. We need representation aware of our true identity and special concerns. We are NOT a bedroom community slipped in between two freeways. Our important contributions will be lost if we are divided into two appendages; one connected to a troubled area of East Oakland and the other a BART station for commuter traffic.

If you split this town in two, you might as well file the papers to remove San Leandro from the map. Legislators who have to account to Oakland and Hayward will only look there for their votes. They won't try to act action to help San Leandro. Our voting power will be diluted.
