Subject: Why did you split Fresno (City) into separate districts?

Message Body:

I'm in "old" CA 19 Congressional District. Most of Fresno city was not in CA-19. I was hoping your work would correct this, placing our home in whatever district the rest of Fresno gets put into. Instead, I'm still placed in a district outside of Fresno proper and included in an area that is mostly rural farms. I'm not a farmer and I don't agree with the big corporate farm politics. All of Fresno city should have been put in the same district.
