If a portion of the information I have requested is exempt from disclosure by express provisions of law, Government Code Section 6253 additionally requires segregation and deletion of material in order that the remainder of the information may be released. If you determine that an express provision of law exists to exempt from disclosure all or a portion of the material I have requested, Government Code Section 6253 requires notification to me of the reasons for the determination not later than 10 days after your receipt of this request.

Thank you for your timely attention to my request.

Very truly yours,
