RE: your letter of April 27, 2011 to Daniel Claypool

Dear Mr. Lapsley:

You have requested copies of the maps presented to the Citizens Redistricting Commission during its hearings. All these maps are available at "wedrawthelines.gov" under meetings, meeting handouts. For example, see http://wedrawthelines.ca.gov/downloads/meeting_handouts_apr2011/handout_20110413_map_ventura_county.pdf

In addition, you asked about any lag between the release of the draft maps and the electronic versions. I have forwarded your suggestion to Q2, and will let you know if they believe the assistance of your technical team would aid this process.

Thank you for your interest in the redistricting process.

Sincerely,

Marian M. Johnston
Staff counsel
